« Ocean Alliance is the largest operational agreement ever made between shipping companies. With 38 maritime services, we are sharing our fleet with the largest Asian shipping companies.

By offering more ports and more direct calls, as well as better transit times, we provide our customers with unmatched quality services.

This offering is a cornerstone of our strategy as it reinforces our competitiveness and strengthens our position as a key player in the shipping industry. »

Rodolphe SAADE
Chairman & Chief Executive Officer of the CMA CGM Group

“Since its launch last year, Ocean Alliance has been a great success from a customer perspective.

Today, we are pleased to start this new chapter with our Day Two Product, which perfectly illustrates our customer centric strategy.

By improving our services and offering our range of new added-value solutions, we continue to go beyond regular business relations with our customers by offering them an experience that meets their needs and expectations in order to build with them the shipping of tomorrow.”
